This RFP requires separate technical and cost proposals to be evaluated on the basis of Low Price Technically Acceptable for award of the project. Competitive proposals will be evaluated based on Management, Technical, Past Performance (with the exception of the Most Efficient Organization tender), Experience, and Cost (for completeness, reasonableness, and cost realism, as indicated by utilizing the OMB mandated COMPARE software for A-76 competitions). The USACE Finance Center (UFC) Accounting Support Services Data Entry sub-functions include (1)Accounts Payable Support Services, (2) Travel Payment Support Services, (3)Accounts Receivable Support Services, (4) Debt Management Support Services, (5) Disbursing Support Services, and (6) Miscellaneous Support Services. All work will be performed at Millington, TN. All responsible sources may submit a proposal or tender which shall be considered by the agency.

The media through which the Government chooses to issue this solicitation will be the Internet only. This solicitation will not be issued in paper. The solicitation will be provided in an electronic format, free of charge, to all registered plan holders. Plan holders who registered during the public announcement on 02 March 2005 do not need to re-register.

In order to reduce the possibility of error and to increase the quality of our service to you, all deliveries, packages, etc. for proposal submittal of more than one box or container must be bound together by tape or other means.

In order to comply with the Debt Collection Improvement Act of 1996, all contractors must be registered in the Central Contractor Registration (CCR) to be considered for award of a Federal contract. For information regarding future registration, contact CCR Website at <http://www.ccr.gov>. Other information regarding registration can be obtained through CCR Assistance Center at 1-888-227-2423. A paper form for registration may be obtained through the DOD Electronic Commerce Information Center at 1-800-334-3414.

A standard competition to perform these services will be conducted in accordance with Office of Management and Budget (OMB) Circular No. A-76 (Revised), Performance of Commercial Activities, May 29, 2003. The solicitation will be issued at a later date. Prospective private sector and public reimbursable service providers are encouraged to respond to the solicitation.

THIS IS NOT A SOLICITATION NOTICE.

In accordance with Circular A-76, this notice represents the formal public announcement and official start date of a public-private competition of the USACE Finance Center services located in Millington, TN. These services include accounting support for processing vendor invoices, accounts receivable and debt management transactions and accounts, temporary duty travel vouchers, and collections and disbursements.

The incumbent service providers affected by this public-private competition are approximately 80 DoD civilian positions. A standard competition will be conducted in accordance with the revised Circular. The solicitation will be issued at a later date. Prospective private sector and public reimbursable service providers are encouraged to respond to the solicitation.

The Department of Defense Competitive Sourcing Official is Mr. Philip L. Grone, Deputy Under Secretary of Defense (Installations and Environment). The DoD Component Competitive Sourcing Official (CCSO) for the United States Army is Mr. Geoffrey G. Prosch, Principal Deputy Assistant Secretary of the Army (Installations & Environment). The Army CCSO has delegated selected standard competition responsibilities to Major General Robert H. Griffin, Deputy Commanding General, USACE. The contracting officer and agency tender official for this standard competition are Dr. James J. Rich and Mr. Stephen Coakley, respectively.

The date of this public announcement is the official start date for this public-private competition and the projected end date of the competition is 12 months from the official start date.
